

GRAPEVINE PROPERTY SERVICES
NAVIGATING THE WAY WITH CONFIDENCE

January 24, 2011

Signature Painting
1565 Third Ave.
Walnut Creek, CA 94597

Potential Clients of Signature Painting;

Our office received a walk in sales call from Nick Rasmussen of Signature painting, it so happened that one of our associations was out to bid to repaint their complex; Brian Mitchell joined him in returning the bid and introduced himself as one the owners of Signature Painting. Brian is a lively and energetic guy that is excited about his company and what he does, he won us over with his enthusiasm and knew that he would also do so with our Board of Directors.

Winning the bid, Grapevine Property Services had the pleasure of working with Signature Painting. They were available at all times during the project, making sure that the residents were informed and letting our office know how the schedule was going.

Of course with every job comes one or two unhappy residents. I was very impressed with how well they handled grievances; their response time was immediate and caring, quickly calming the resident and leaving them with a smile on their face.

Our office received many calls and comments regarding how wonderful & considerate their onsite workers were.

Hiring good companies with great employees makes it easier on management and residents living at the complex.

It was a great experience working with signature paint. With doing such a great job with that first complex, they very soon won bids for 3 other properties that we manage. I highly recommend Signature Painting for your painting and/or construction jobs.

Sincerely,

TJ Hentges
